Carlos, can you acknowledge receipt of this letter please? Will EPA be responding in any way to my attached letter? Or should I just try to dig out the answers I need through the FOIA process? Or both?

How's it coming with the revision to Deed Restriction/ IC? Partial deletion process?

Thanks, Curt

Dear Carlos,

Attached is a letter I'm placing in the mail to you tomorrow. I'm sorry for the formal tone of it, but I need your help please digging down on these issues.

I have been complaining for years now that the Arkwood RPM did not provide adequate supervision to McKesson's activities at Arkwood. I would like to know if the RPM ever once questioned or tested McKesson's data, activities or assumptions regarding the groundwater remediation at Arkwood.

Thank you,

Curt
